5 Gray St. Cambridge 15. 12. 1860

My dear Friend, on the other side I send a letter
for \$65. . . . of which I shall be very much obliged
to the donors. \$60. . . . to Mrs. Chapman for the
Subscription Anniversary. \$30. - To the Standard
for annual subscriptions for the paper from
Archibald Young Esq. 27 Dunbar St. 1 copy
Edwin. Ludis' Emancipation Society 2 copies
Care of G. W. Weston

For the Liberator \$2.50. as per enclosed list this with
the sent in stamps will make up the amount as near
as I can calculate the difference between dollars &
but if I have sent too little please carry it on to the
next account. I was very much obliged for the
last letter of its enclosure & for all the services the
last rendered us in various ways. - I had a letter from
poor Bailey the other day which told me he found
the \$10. were quite safe but that he had entered the
name to the name instead of mine. I he only & rightly
acknowledged the \$5. from Mr. Cropper - so that we
have the comfort of believing he has got all that was
intended for him. - & we may only regret his inaccuracy
which has given us both trouble & anxiety. - In words
we have involved there are dear kind friend, but
you will not mind it I hope now that all is right -
poor Bailey begs for a little more help & it is likely
we may again contribute to him - but we have
no money at present. - Will you ask Mrs. Chapman
to acknowledge the \$60. - & I should be very much
obliged to her for a line to say this communication

MS. B. 1. 6 v. 8, p. 42

has reached there in safety. Mary Estlin is ^{now} in London visiting her aunt. I had a visit from her here in Autumn she was not then very strong but is better now. Dr. Chubb has been here ~~and~~ have been much impressed by his earnestness & truthful devotion to the cause. I do not think at all too violent. I indeed our people could bear a good deal more than he laid before them, but

delivery is scarcely vehement enough for our popular taste - but his words are nobly fitted to unsettle the ~~of its~~ business. He has vindicated Garrison well on all occasions. - we hope something may be done to sustain him - I Mr. Chapman need not fear that anything given to him will be withdrawn from the "old guard" - it will be either additional or from quarters who would never have courage to stand by the old guard. - I am in haste & any stand of this

conclude with faint regard to the ~~of the~~ family - I remain yours very affectionately
